## **DETAILED ACTION**

### ***Claim Objections***

1. Claim 1 is objected to because of the following informalities: the phrase "used to" in line 2 of the claim represents intended use. Examiner suggests that the phrase is changed to "configured to." Claim 1 also recites "said report forms" in line 13 of the claim. However, line 12 of the claim only recites "a report form." Examiner suggests that line 13 is amended to read, "said report form" (singular). Appropriate correction is required.

2. Claim 9 is objected to because of the following informalities: it recites the limitation "said analyzing result" in line 2 of the claim. However, claim 1 has been amended to recite "analyzed results." Examiner suggests that claim 9 is amended to recite "analyzed results." Appropriate correction is required.

### ***Claim Rejections - 35 USC § 112***

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1-9 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

5. Claim 1 recites the limitation "the IC package parameters" in lines 4-5 of the claim. There is insufficient antecedent basis for this limitation in the claim.
6. Claim 1 also recites the limitation "the condition parameters" in lines 6-7 of the claim. There is insufficient antecedent basis for this limitation in the claim.
7. Claim 1 also recites the limitation "the model" in line 7 of the claim. There is insufficient antecedent basis for this limitation in the claim.
8. Claims 2-9 are rejected as being dependent upon a rejected base claim.

#### ***Allowable Subject Matter***

9. Claims 1-9 would be allowable if rewritten or amended to overcome the objections and rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
10. Claims 10, 11 and 13-16 are allowed.
